and photo sessions amid
lush greenery

FOREST CAMPUS

Forest is the perfect venue for both business and recreational events, from conferences, yoga sessions, and concerts to outdoor cinemas, workshops with intriguing speakers, and culinary festivals.

Nestled in greenery, Forest at Burakowska 14 in Warsaw evokes sylvan charm, where vegetation engulfs a green patio on the ground floor and a rooftop garden.

The inner courtyard is thriving with trees, lush shrubs, grass, and vines. Decorative flowers fill the air with a beautiful fragrance, with the diversity of species delighting visitors all year round. The green patio, with its verdant mounds and meadow areas, beckons guests to unwind on loungers.
